Re.: Swiss PAtent Application No. 7167/69
Your Ref. 582-555-Sz - Philip Morris Incorporated

Dear Sirs:

Thank you for your letter of June 8, 1971 reporting your instructions to meet the pending Office Action in the above-identified case.

We have now formulated a new set of claims to remove the incriminated paragraphs of the Action, and also in accordance with Sect. 52, 2 Pat. Act, as our respective enclosure shows.

To avoid the limitation of the invention to cigarettes only we have directed the invention to wrappers for tobako products in general, and then claimed its special use for cigarettes.

Then we have put the description (incl. title), especially on the pages 1, 4, 5 and 6 into line with the Main Claim.

The so corrected specification has been refiled with the Office today.

Very truly yours
BOVARD & CIE
